Auditors' Report

Simcoe, Ontario, 22nd January, 1936

To the Warden and Councillors of the County of Norfolk.

Gentlemen:

We have conducted the usual monthly audit of the receipts and expenditures of the County for the year 1935, in the General Account and in the County Road System Account and have found the books in good order; in the former there is no cash balance, but a note of $4,542.45 is owing and in the latter the cash balance is $874.40 Cr., with a note of $55,000.00 owing, but an estimated Government Grant of $62,000.00 is expected to cover this note.

Proper vouchers or authority have been produced to us for all disbursements and the Treasurer has cheerfully afforded us any information required of him.

The Treasurer's bond for $10,000.00 has been renewed to expire on 28th June, 1936.

The statement of assets and liabilities attached shows totals of $462,761.65 and $394,810.73 respectively as at 31st December, 1935; there has been a reduction of $52,000.00 odd in the total debenture debt.

All of which is respectfully submitted.

(sd.) W. C. J. King,

(sd.) W. B. Durward, Auditors
